TAAMEER REAL ESTATE PROJECTS

TAAMEER

■ FOUNDATION

Al Taameer Real Estate is a 100% Qatari company established in 2008 to be a symbol of real estate investment in the state of Qatar , it strongly grew into a leading force in Qatar's redevelopment and is responsible for some of Doha's most iconic real estate property.

The company is characterized by the great confidence that it has gained with customers. These services are managed by a distinguished team with great experience and pioneers in the field of real estate development. We also pay special attention to achieving the highest returns and the largest gains for our customers. We are also keen to form partnerships and excellent communication based on mutual trust with the largest companies In the field of real estate investment around the world.

About Us

Our aim is to produce the highest construction quality in the market at competitive price, and because quality is what brings repeat business, our promise is to have a certain quality, then we will mainly provide that quality.

Al Taameer Real Estate portfolio includes apartment complexes across Doha, high rise towers within Lusail and other areas in Qatar. We incorporate verified state-of-the-art methods to real estate investment and property management, with a balanced approach to the market that enables us to maintain asset value.

Our services and expertise include navigating the real estate market – acting as a real estate developer, real estate agency, and real estate broker – managing investments, property management, property evaluation and the selling of properties.

At all times, we prioritize service quality. Our team is comprised of real estate professionals who share the group's – and the state's – vision for a thriving property market and world-renowned skylines.

We pursue growth through creative and innovative solutions, fostering a people-oriented environment to provide individual opportunities, personal satisfaction, and rewarding challenges to each of our members.
